

***Join us at A Memorial Golf Outing
To Honor
Seamus Finnerty***

After a brief, but valiant, battle with cancer the Mayo, Crestwood and golfing communities of New York lost a dear friend and supporter in the passing of Seamus Finnerty.

Seamus was a native of Moygownagh, Co Mayo and emigrated to New York in 1980. He played football with Mayo and greatly enjoyed returning to Ireland with that New York Mayo team in 1984. His support of Mayo GAA was constant and passionate. He joined the Woodlawn Golf Club in 1982 and was an active and vibrant member until the time of his death. He golfed every weekend and held many positions within the club including the presidency for 2008 and 2009. He was also a founding member of the Links at Union Vale and enjoyed his golfing excursions to the Links and especially the chat and banter on the 19th hole.

Please join us to celebrate Seamus' life and honor his memory on:
